Alexandria, VA 22314

Sir:

In response to the Final Office Action mailed August 22, 2005, applicants submit an amendment to the claims and request entry of the amendment. The amendment was not earlier filed because a different amendment was made to overcome a prior rejection. However, the PTO found that amendment to be inadequately supported as reported to applicants in the Final Office Action. The current amendment is an attempt to correct the earlier filed amendment.

Please charge our deposit account for a one-month extension of time to make this filing timely. It is believed that no additional fee is required for this submission. If any fees are required, the Commissioner is authorized to debit or credit our Deposit Account No. 19-0733, accordingly.
